

Gnet L2

Brand: Gnet

Product Code: L2

Call for Price: 0418 374465

Short Description

The Gnet L2 is our most popular LCD based dashcam.

Description

You don't have to be "tech savvy" to use the L2 as it is based on a easy to use and familiar technology, the touch screen. From the screen you can change setting and view your video. For the tech lover it's fully supported on both Apple iPhones and Android smart phones by the optional WiFi feature.
